TO THE SICK AND HOUSEBOUND**

*All:* **Give your healing, Lord, to those who are sick and housebound. May those who take the Body of Christ to them also be a loving sign of our prayers and thoughts. Keep us united with them in all their sufferings so that we will grow together as one community with the presence of Christ among us.**

Lord, teach me to be generous.  
Teach me to serve you  
as you deserve;  
to give and not to count the cost,  
to fight  
and not to heed the wounds,  
to toil and not to seek for rest,  
to labour and  
not to ask for any reward,  
save that of knowing that I do  
your will.

**Mother Teresa delivered the following address at the National Prayer Breakfast in Washington DC 1994. She implored people to promote adoption not abortion.**

The greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself. And if we accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love and we remind ourselves that love means to be willing to give until it hurts. Jesus gave even His life to love us. So, the mother who is thinking of abortion, should be helped to love, that is, to give until it hurts her plans, or her free time, to respect the life of her child. The father of that child, whoever he is, must also give until it hurts. By abortion, the mother does not learn to love, but kills even her own child to solve her problems. And, by abortion, that father is told that he does not have to take any responsibility at all for the child he has brought into the world. The father is likely to put other women into the same trouble. So abortion just leads to more abortion. Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want. This is why the greatest destroyer of love and peace is abortion.

Many people are very, very concerned with the children of India, with the children of Africa where quite a few die of hunger, and so on. Many people are also concerned about all the violence in this great country of the United States. These concerns are very good. But often these same people are not concerned with the millions who are being killed by the deliberate decision of their own mothers. And this is what is the greatest destroyer of peace today — abortion which brings people to such blindness.

And for this I appeal in India and I appeal everywhere — "Let us bring the child back." The child is God's gift to the family. Each child is created in the special image and likeness of God for greater things — to love and to be loved. In this year of the family we must bring the child back to the center of our care and concern. This is the only way that our world can survive because our children are the only hope for the future. As older people are called to God, only their children can take their places.

But what does God say to us? He says: "Even if a mother could forget her child, I will not forget you. I have carved you in the palm of my hand." We are carved in the palm of His hand; that unborn child has been carved in the hand of God from conception and is called by God to love and loved, not only now in this life, but forever. God can never forget us.

It was at a miniature golf course on a brutally hot day when I saw a father with 3 kids. "Who's winning?" I asked cheerfully. "I am" said one "no, I am" said another. "No," the father said "their mother is!"

I asked my Scottish friend "Did you have a good Summer? He replied "Yes indeed, we had a great picnic that afternoon!"

What did the beach say as the tide came in?... Long time no sea.

The seaside resort we visited last summer was so boring that one day the tide went out and never came back.

What did the pig say on a hot summer day? – I'm bacon!
